

Wonders of Argentina (4 Days/ 3 Nights)

Buenos Aires-Bariloche

Visit Argentina in 12 days and enjoy the perfect combinations of destinations. The Cosmopolitan City of Buenos Aires; the incredible Patagonia and breathtaking Perito Moreno Glacier; Ushuaia and the famous Beagle Channel and Iguazu Falls, one of the most impressive natural attractions in Argentina.

Day 1: Buenos Aires

Start your South American tour in Buenos Aires, the “Paris of South America”. Your guide and driver will greet you at the airport and take you to downtown Buenos Aires. The Buenos Aires city tour begins with the hallmark symbol of Buenos Aires, the Obelisk, reigning from the heart of the world’s widest street, 9 de Julio Avenue. Also see the Colon Theater and the Embassy of France, which feature elaborate architectural detail. Visit the historical Plaza de Mayo, the elegant Plaza San Martin, and the financial district. See Buenos Aires’s traditional barrios: La Boca, San Telmo, Montserrat, Recoleta and Palermo. Finally, stop in Puerto Madero, Buenos Aires’s renovate port and waterfront featuring the cantilevered Woman’s Bridge.

Day 2: Buenos Aires

After breakfast, departing from your hotel we will head north to Tigre 29 km northeast of Buenos Aires from where you will take a boat ride in the Paran, River Delta to enjoy the natural beauty of this region and get to know better the customs, culture and ways of life of the “isleños” (people who live on the islands of the Delta). Returning to your hotel you will see the northern suburban districts and the residential neighbourhoods of Buenos Aires. In the evening, you will enjoy the Esquina Carlos Gardel Tango Show, where you can wine & dine and enjoy a professional tango dance show. What a way to kick off your Argentina Highlights tour!

Day 3: Buenos Aires

Visit the “Aspen” of South America, Bariloche & its scenic lakes district. Breakfast at the hotel and transfer to the airport for your flight to Bariloche, where a guide will be waiting for you. In the afternoon, take a tour of the “Small Circuit”; Lakes surrounding Bariloche. Visit the scenic Llao Llao National Park and San Eduardo Chapel, with breathtaking views of lakes, hills, and forests in all directions. Continue the tour by heading to the top of Campanario Hill via chair lift, for panoramic views of Lake Nahuel Huapi.

Day 4: Bariloche

Leaving from Pasuelo Harbor we sail Lake Nahuel Huapi, through its most western branch right by the Andes. After a onehour catamaran trip we arrive to Puerto Blest, one of the most beautiful places to see inside the Nahuel Huapi National Park. After lunch, we get on the catamaran to sail to the other shore of Blest Branch. After climbing into the Valdivian Rain Forest along Los Cántaros Waterfall, we sail back to Pañuelo Harbor arriving to Bariloche that afternoon.
