Highlights of France

### Day 1: Paris

Bonjour! Welcome to France. Walk up the Champs-Elysees to see what's hot in French fashion and be sure to check out bohemian Montmartre. Grab a baguette and cheese and lounge like a true Parisian in the Tuileries Garden.

### Day 2: Paris-Dijon

Explore the Burgundy region, famous for its wine and culinary delights such as beef bourguignon and coq au vin. Visit Renaissance buildings in Dijon and vineyards aplenty in Beaune.

### Day 3: Dijon-Strasbourg

Take a step back in time and spend a night in a traditional French chateau. Relax with a garden walk, a good book or just gaze across the beautiful French countryside.

### Day 4: Strasbourg-Avignon

Picture perfect and ready to be explored, get along to the Palais des Papes, a 14th century Gothic palace, which was built for Pope Clement V. Cross the bridge and take a riverside walk through apple orchids or just relax with a café au lait and croissant.

### Day 5: Avignon-Nice

Experience seaside bliss on the pebbled beaches of Nice. As the biggest city on the French Riviera, Nice is the perfect place to explore the rest of the Cote d'Azur and is full of impressive architecture, ancient ruins, cute cafés and happening nightspots. Perhaps take a stroll along the Promenade des Anglais, visit the breathtaking St Nicholas Orthodox Cathedral or wander through myriad picturesque squares before this adventure ends.
