

## Bali Honeymoon Package (5 Days/ 4 Nights)

### Bali

Bali may be small in size – you can drive around the entire coast in one long day – but its prominence as a destination is huge, and rightfully so. A visit to Bali means that you are in the most visitor-friendly island of Indonesia. There are pleasures of the body, whether a massage on the beach or a hedonistic interlude in a sybaritic spa. Shopping that will put ‘extra bag’ at the top of your list. Food and drink range from the freshest local cuisine bursting with the flavours of the markets to food from around the globe. Virescent rice terraces, pulse-pounding surf, enchanting temple ceremonies, mesmerising dance performances and ribbons of beaches are just some of the images you will come back with.

#### Day 1: Bali

Arrive at Denpasar, Bali where our representative will meet and greet you before transferring you to your hotel. Enjoy the rest of the day at leisure.
