

Golden Eagle Festival (5 Days/ 4 Nights)

Ulaanbaatar-Ongi-Ulaanbaatar

Join us for the 9th annual Golden Eagle Festival in Mongolia's beautiful Bayan-Olgii Province. Last year, over 40 Kazakhs participated with their specially trained Golden Eagles. Spectacular events include competitions based on speed, agility, and accuracy of these magnificent Golden Eagles and some great Kazakh traditional games such as Kokbar, archery and traditional horse racing etc are also organized on the festival days. This fantastic festival celebrating the Kazakhs' honored Golden Eagle is also a celebration of Kazakh traditional heritage. In order to maintain the event as a festival for the Kazakhs themselves, attendance is limited. The highlight of this fantastic trip is interacting with the Kazakhs and other ethnic groups and living with them for a couple of days to take part in the eagle training and get to know about the unique Kazakh culture.
