

## Eastern Taipei Tour (4 Days/ 3 Nights)

Taipei-Taitung-Hualien-Jiaoxi-Taipei

Taiwan is an island nation of about 36,000 square kilometers located off the coast of southeastern China, southwest of Okinawa and north of the Philippines. Shaped roughly like a sweet potato. In the whole of Pacific this island is regarded as one of the most beautiful. Taiwan has green forests and exotic mountains that stand up erect over the greenery. Taiwan is one of the best visited places in the world With the collection of waterfalls, hillsides, hot springs and lakes. Taiwan actually boasts some very impressive scenic sites, and Taipei is a vibrant center of culture and entertainment.
